

TRAYARUNYA FOUNDATION

Established in 2016, Trayarunya Foundation India is a certified non-profit organization committed to social welfare and empowerment. Registered under Section 8 of the Companies Act, 2013, and holding 12A and 80G certificates, we adhere to stringent Indian compliance standards. Our mission is to uplift the underprivileged through care, education, and opportunities for sustainable self-reliance. We envision a world where everyone can shape their own future, fostering an inclusive society where potential is realized. As a United Nations ECOSOC Consultative Status holder, we strive to be a catalyst for positive change.

ABOUT US

Trayarunya.org.in is a dedicated non-governmental organization based in Uttar Pradesh, committed to empowering women and promoting gender equality. We focus on providing education, vocational training, and healthcare services to women in underserved communities, helping them achieve financial independence and personal growth. Through advocacy, awareness programs, and skill development workshops, we aim to create a society where women are recognized as equal contributors. Our mission is to break down societal barriers and uplift women, enabling them to lead empowered lives and actively participate in decision-making at all levels. Join us in shaping a brighter future for women in Uttar Pradesh.
