About us

Prabhu Academy is dedicated to providing innovative, high-quality education that promotes holistic growth. With a focus on academic, intellectual, social, and physical development, the academy offers a variety of activities such as debates, art exhibitions, and competitions to foster well-rounded individuals. As a leader in Early Childhood Care and Education (ECCE), it operates over 1,900 centers across India and Nepal, impacting more than 750 cities. Its unique 'iLLUME' curriculum, India's only university-verified preschool program, has helped nurture over 900,000 children, enabling them to discover and develop their true potential.
