ABOUT US

PressRelease is India's leading press release distribution platform, helping businesses, startups, and PR professionals amplify their news across media channels. With a vast network of journalists, bloggers, and news outlets, we ensure your announcements reach the right audience locally and globally. Our services include targeted distribution, multimedia press releases, SEO optimization, and detailed analytics to maximize visibility. Whether it's product launches, corporate updates, or brand stories, we deliver credible, cost-effective PR solutions with fast turnaround times.
